DATASHEET / BROCHURE

Turn heads at home and in the office with this high-quality, long-lasting and flexible WXGA projector.

Supersize your content in the office and at home with this high-quality, versatile projector. Thanks to its powerful 4,000 lumen 3LCD technology, it delivers incredibly bright and clear images, even when there's ambient light. The long-lasting lamp light source means it's a cost-effective piece of kit. It's also easy to transport and set up with no fuss.

Bigger is better

Whether you're watching your favourite film or delivering a presentation, this projector can achieve an impressive 320 inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products¹. In addition to its bright and vivid colours, the 16,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

High-quality, bright images

Even in bright rooms, this powerful yet affordable WXGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 4,000 lumens.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? This model's long-lasting lamp light source provides you with 18 years' worth of entertainment².

Stress-free set-up

Here's a projector that's designed with portability and quick set up in mind. The carry case makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI inputs. Thanks to the optional ELPAP10 adapter, it offers Wi-Fi connectivity, allowing you to share content from a smart device using the iProjection app.
